Por trás

A screenshot of a mobile application interface. At the top, there are four filter dropdowns labeled "Começo", "Termino", "Número de telefone", and "Key Status". Below these filters is a table with ten rows of data. Each row contains two time intervals and a "Key Status" dropdown. The first five rows have "Devolved" selected, while the last five rows have "Taken" selected. The table has alternating light and dark rows.

Começo	Termino	Número de telefone	Key Status
23/05/2025	12.00.00		Devolved
18/05/2025 18.00.00	18/05/2025 19.00.00		Devolved
